Photo Club Admin

The promised photo club admin system went live on the 2nd of January!

We are gradually adding the interested clubs onto the club admin system.

Interested in switching over to the club admin system? Download the club admin handbook [here](#) to see what is available!

New Auto Salon Import now available!

Like always, the basic club admin system (as it is now) will be free for clubs as long as enough paying events cover the hosting costs.
